

Estate Planning Made Simple

The spread of the coronavirus (COVID-19) has left many of us with more questions than answers. Amidst the uncertainty, Claremont recognizes that sound legal advice can improve your wellbeing and relieve stress. Our attorney network remains ready to help you navigate your legal needs during this unprecedented time.

Commonly asked questions about the impact of COVID-19:

Estate Planning/Healthcare Documents:

- How can I protect my parents and loved ones?
- Would I benefit from a will or trust?
- What documents are needed if I am, or a family member is admitted to a hospital?
- What's the difference between Power of Attorney and a Living Will?
- If I am recently married/divorced, do I need a new will/trust?
- How can I make the most out of beneficiary statements?

Common benefits of estate planning:

Tough questions answered and peace-of-mind regarding:

- Protection of family assets and care instructions
- Saving loved ones from difficult health decisions
- Financial security for future generations
